A Year in Review
February 1, 2010 – January 31, 2011
Fiscal Year 2011

Our Mission
Leading the fight to treat and cure ALS through global research and nationwide advocacy while also empowering people with Lou Gehrig’s Disease and their families to live fuller lives by providing them with compassionate care and support.

“Our families living with ALS are not alone because The ALS Association and our whole community are here to give support and encouragement.”

Lance Christian, MSW
Executive Director
It is my sincere pleasure to thank you for being part of our community of support. With the continued growth in demand for our Chapter’s services, your ongoing support is not only appreciated, but it is vital to our success in serving local families living with ALS.

In fiscal year 2011, you and other donors gave The ALS Association Oregon and SW Washington Chapter your time, your energy, and your financial support. You helped us enjoy our most successful Walk to Defeat ALS to date! Because of your generosity, research was advanced, advocacy and awareness was broadened, and services to a growing number of local families living with ALS, was sustained. This annual report shows what our chapter has achieved because of you and your continued commitment. Because of you, hope continues to grow for the ALS community. Because of you, those with ALS are not alone.

With sincere thanks,

Trina Bandelow, Board President

2010-11 Staff Leadership

Lance Christian, Executive Director, Social Worker
Aubrey McCauley, Development Director
Since its inception in 2002, our local chapter of The ALS Association is the central source for services and education for people with ALS, their families, caregivers, and health care professionals in all of Oregon and the six counties of SW Washington. The progression of ALS varies significantly from one person to another. Responding to each person’s individual needs, our local chapter is available to provide vital services and reliable information.

We are a Chapter of the national organization that is the only not-for-profit health organization dedicated solely to the fight against ALS. Our chapter serves the whole State of Oregon and the 6 counties in SW Washington. Our local chapter has a staff of 8, with 5 Services Specialists spread throughout Portland, the Southern Willamette Valley, Central Oregon and Southern Oregon, with the rest of our chapter staff headquartered in Portland.

**A sampling of local services provided free of charge to people and families living with ALS:**

- One-on-one consultations to assess the needs of those living with ALS, suggest equipment and help families plan for the future.
- A Medical Equipment Loan Program that provides mobility equipment when insurance and other programs cannot fund needed items.
- A comprehensive Alternative Communication and Assistive Technology Program.
- Caregiver support groups, Share the Care ™ guidance, and respite care grants to relieve stress and “caregiver burnout”.
- Monthly support groups for people with ALS, family members, caregivers and friends.
- Partnerships in ALS multidisciplinary clinics staffed by professionals with ALS expertise.
- Outreach to the local medical community with updates on current ALS needs and solutions.

**Helping families live with ALS in Oregon and SW Washington in 2010-11:**

- Served 310 families from Longview, Washington to Burns, Oregon from Brookings, Oregon to Milton- Freewater, Oregon. And a few people in Northern California and Southern Idaho.
- Served 150 families in Partnership with the Providence ALS Center in Portland, Oregon.
- Offered Medical Equipment loan programs in Portland, Bend and Grants Pass.
- Served 51 families with Respite Care Grants to relieve family caregivers.
- Supported 175 families in being able to communicate by offering professional support and a loan program of alternative and augmentative communication equipment.
- Provided care management support to 225 families to help navigate insurance issues, planning for the future, and to access community services.
- Supported families, caregivers and friends by offering 108 ALS support group meetings across the state.
- Offered continuing medical education programs for healthcare professionals in Bend, Medford, Portland, & Salem.
- Held a Statewide Advocacy Day at the state capitol to raise awareness of ALS.
- Sponsored people with ALS to attend the National ALS Advocacy day in Washington DC to lobby for ALS research.
- Continued partnership with the Paralyzed Veterans of America to serve our veterans with ALS.
Empowering the People who live with ALS – April 17, 2010

Supporters demonstrated their heroic powers of caring and support for the ALS community.

Our Chapter’s Annual Dinner and Auction Gala has become quite an event – often attracting an average of 450 guests into the room to help support those affected by Lou Gehrig’s Disease right here in our local community. This year’s event was no different.

The room was filled with lots of love and passion – a tribute to a select few of our chapter’s heroes (Rob Chadwick of Scott Mills, Oregon, April Hughes-Sanders of Portland, Oregon, Johnny Meyer of Camas, WA and, Bill Donnelly & Jeff Bader of Portland, Oregon) and amazing financial support given for vital services that are offered to families here in our community free of charge. Roughly 500 participants and volunteers created an evening of inspiration and tribute in order for our chapter to raise $225,000 for local services and programs. There were many memorable moments that came out of the evening – from the couple running around the stage to Wells Fargo’s kick off to the appeal to a view of a man’s chest to Bill Donnelly and Jeff Bader giving us a personal perspective to what it means to be a hero to a record made in the Centerpiece auction to the surprise generous gift from Alpenrose Dairy, just to name a few.

Many THANKS to the 50+ volunteers that we had to implement this event – without you, it would not be possible! Your hard work to ensure an enjoyable experience for all really paid off! Thank you to everyone who participated in this event! Your financial support gives people living with ALS, their families and caregivers access to the tools, equipment, and resources they need to take control of their lives. All money raised at the gala went directly to our services and programs thanks to our generous sponsors!

Walk to Defeat ALS 2010: By the Numbers – September 2010

$546,561 – The amount of dollars raised through the Walk in 2010
$430,000 – The 2010 Walk to Defeat ALS® regional original goal
275 – The number of Walk Teams
4,567 – The number of registered participants
6 – The number of Walks held in Oregon and Southwest Washington

This fall, we took big steps in the battle against Lou Gehrig’s Disease. Because of you, the Walk to Defeat ALS® has reached a major milestone. Earlier this year, we set an aggressive goal to raise $430,000 throughout the region. Today, we have surpassed that goal and for the first time in our chapter’s history, we’ve passed the $545,000 mark. As amazing as that sounds, what’s equally amazing is that throughout our region, more than 4,500 people registered to be part of the Walk. That’s over a thousand more than ever before. Records are being broken all over the place!

This is an enormous accomplishment, and it is all because of the talent, dedication, creativity and passion of those who participated in the Walk. The walkers were not afraid to ask for support – from lemonade stands, garage sales, letter-writing campaigns, and fun charity nights at local restaurants – walkers did everything possible to find success in their fundraising efforts.
