Our Mission
Leading the fight to treat and cure ALS through global research and nationwide advocacy while also empowering people with Lou Gehrig’s Disease and their families to live fuller lives by providing them with compassionate care and support.

“Our trained staff, care services and strategic community partnerships bring a comprehensive and multi-disciplinary approach to meeting the needs of the remarkable people living with this disease and their families in Oregon and SW Washington.”

Lance Christian, LMSW
Executive Director
Dear Friends…

Your ongoing support is not only appreciated, but it is vital to our chapter’s success in meeting the needs of ALS. It is not just the person diagnosed with the disease but also their entire community that surrounds them – from family, friends, neighbors, co-workers, employers and the list goes on. Because of your support, we are here to help each and every one of them and remind them that they are not alone.

In fiscal year 2013, you were amongst thousands of people who gave The ALS Association Oregon and SW Washington Chapter their time, energy, and financial support. Because of your efforts, our care services have strengthened, public policy and awareness efforts implemented and most importantly, ALS research advanced.

Because of you, hope continues for the ALS community.

With sincere thanks,

Dr. Lou Libby, Board President

Our 2012 Year Round Partners

2012-13 Board of Directors

**President:** Dr. Lou Libby, *The Oregon Clinic*
**Vice President:** Joseph Gross, *JGP Wealth Management Group of Wells Fargo Advisors*

Debi Kyte, *Community Volunteer*
Doug McClure, *PsyD, Private Practice*
Al Lee, *Perfect Breathing*
Kate Moore, *Dunn Carney Allen Higgins & Tongue, LLP*
Elisabeth Twist, *Attorney at Law*

2012-13 Staff Leadership

Lance Christian, LMSW, *Executive Director, Social Worker*
Aubrey McCauley, *Development Director*
Amyotrophic Lateral Sclerosis (ALS), also known as Lou Gehrig’s Disease, is a progressive neurodegenerative disease that, for no known reason, slowly robs a once healthy person of their ability to walk, speak, swallow and, eventually, breathe over just a short time of 2-5 years. ALS has no racial, ethnic or socioeconomic boundaries – and in only 10% of cases there is a family history of ALS. As it stands, every American is threatened by ALS. At any given time, there are an estimated 500 people living with ALS in Oregon and SW Washington.

Since its inception in 2002, our local chapter of The ALS Association is the central hub for resources, services and education for people living with ALS, their families, caregivers, and health care professionals in all of Oregon and the six counties of SW Washington. The progression of ALS varies significantly from one person to another. Responding to each person’s individual needs, our local chapter is available to provide vital services and reliable information. A sampling of local services provided free of charge to people and families living with ALS:

- One-on-one consultations with qualified on-staff social workers to assess the needs of those living with ALS, suggest equipment and help families plan for the future.
- A Medical Equipment Loan Program that provides mobility equipment when insurance and other programs cannot fund needed items.
- A comprehensive Alternative Communication and Assistive Technology Program to keep those living with ALS connected and communicating with their loved ones.
- Caregiver support groups, Share the Care™ Care Connections guidance, in-home coordinated care and respite care grants to relieve stress and “caregiver burnout”.
- Monthly support groups for people with ALS, family members, caregivers and friends.
- Partnerships in ALS multidisciplinary clinics staffed by professionals with ALS expertise.
- Outreach to the local medical community with updates on current ALS needs and solutions.

We also support nationwide public policy efforts as well as internationally-driven research focused on finding a treatment and ultimately, a cure for ALS. Our chapter does not receive any government or insurance funding.

Helping families in Oregon and SW Washington live with ALS in 2012-13:

- Served 345 families from Longview, Washington to Burns, Oregon from Brookings, Oregon to Milton- Freewater, Oregon. And a few people in Northern California, Southern Idaho and Montana.
- Served roughly 150 families in Partnership with the Providence ALS Center in Portland, Oregon.
- Continued multi-disciplinary clinic partnership with St. Charles Medical Center in Central Oregon.
- Deepened our partnership with Kaiser Permanente to provide a multi-disciplinary clinic in Portland, Oregon.
- Offered Medical Equipment loan programs in up and down I-5 and in Central and Southern Oregon.
- Served 62 families with Respite Care Grants to relieve family caregivers.
- Supported 190 families in being able to communicate by offering professional support and a loan program of alternative and augmentative communication equipment.
- Supported families, caregivers and friends by offering 110 ALS support group meetings across the state.
- Offered continuing medical education programs for healthcare professionals in across the region.
- Sponsored a delegation including a family living with ALS to attend the National ALS Advocacy day in Washington DC to lobby for ALS research.
- Strengthened our partnership with the Paralyzed Veterans of America to serve veterans living with ALS.
- Worked with the Portland VA Medical Center on the development of an ALS multi-disciplinary clinic.
On March 10, 2012, we honored ten years of service to the local ALS community by holding our 10 Year Anniversary Bash at the Oregon Convention Center. More than 800 people walked the red carpet for this night of glamour and inspiration, and were treated to a delicious dinner, silent auction, live auction and a variety of surprises. The chapter raised a remarkable $400,000+.

Special guests included Jane Gilbert, CEO, of The National ALS Association, past and present board members for the chapter, and Arlene Schnitzer and Jordan Schnitzer, our honorary Chairs.

Gilbert addressed the crowd and was pleasantly surprised when Board President, Dr. Lou Libby, Development Manager, Meagan Lancaster, and Development Director, Aubrey McCauley, surprised her with a check for $50,000. This was an extraordinary gift from the chapter to be directed to research – above and beyond what the chapter gives each and every year.

The 10 Year Anniversary Bash was underwritten and supported by:

**Inaugural Ski to Defeat ALS - By the Numbers – April 14, 2012**
$160,000 – The amount of dollars raised
31 – The number of registered teams
273 – The number of registered participants

**2012 Top 5 Ski to Defeat ALS Fundraising Teams:**
- Team Fredinator: $50,308.16
- Cerus: $10,270
- Patty’s Angels: $7,367
- Team Kyte: $4,055
- Rob’s Ski Friends: $3,820

The 2012 Ski to Defeat ALS was underwritten and supported by:

**Inaugural Ride to Defeat ALS - By the Numbers – July 14, 2012**
$100,000 – The amount of dollars raised
24 – The number of registered teams
246 – The number of registered participants

**2012 Top 5 Ride to Defeat ALS Fundraising Teams:**
- Ken’s Kismet: $11,457.33
- Team ROAR: $11,075.91
- Randy’s Riders: $6,800
- The Crank Armstromgs: $5,425.45
- Guys & Gals Riding for PALS: $5,305

The 2012 Ride to Defeat ALS was underwritten and supported by:
Walk to Defeat ALS®: By the Numbers – September 2012

$595,000+ – The amount of dollars raised
309 – The number of registered teams
4,129 – The number of registered participants
6 – The number of Walks held in Oregon and Southwest Washington
