NW MEDICAL Respiratory + Homecare Specialists
Since its inception in 2002, our local chapter of The ALS Association is the central hub for resources, services and education for people living with ALS, their families, caregivers, and health care professionals in all of Oregon and the six counties of SW Washington. The progression of ALS varies significantly from one person to another. Responding to each person’s individual needs, our local chapter is available to provide vital services and reliable information.

We actively participate in nationwide public policy efforts as well as fund promising internationally-driven research focused on finding a treatment and ultimately, a cure for ALS. Our chapter does not receive any government or insurance funding.

Our Mission
Leading the fight to treat and cure ALS through global research and nationwide advocacy while also empowering people with Lou Gehrig’s Disease and their families to live fuller lives by providing them with compassionate care and support.
THIS YEAR, WE HAVE...

Served **424 PEOPLE** living with ALS and their families in **42 COUNTIES** across Oregon and SW Washington

Served roughly **150 FAMILIES** in Partnership with the Providence ALS Center in Portland, Oregon

There were **15 IN-HOME VISITS** per week

Funded Respite Care Grants for **64 FAMILIES** to relieve family caregivers

Funded **1,707 HOURS** of professional in-home caregiving with **9 LOCAL AGENCY PARTNERS**

Received **11,067 DONATIONS**

Over **6,000 PEOPLE** attended our fundraising and awareness events

Supported **196 FAMILIES** in being able to communicate by offering professional support and a loan program of alternative and augmentative communication equipment

Recieved **11,067 DONATIONS**

Given an extraordinary gift of **$150,000** to support ALS research, above and beyond what we contribute to our National Office every quarter

AND ALSO...

Sponsored a delegation including a family living with ALS to attend the National ALS Advocacy day in Washington DC to lobby for ALS research

Launched a Write Your Life Story class led by Judith Pullman with Multnomah Arts Center

Strengthened our partnership with the Paralyzed Veterans of America and supported the Portland VA Medical Center’s efforts to create an ALS multi-disciplinary clinic to serve veterans living with ALS

Hosted a Powerful Tools for Caregiving class in partnership with Multnomah County Aging and Disability

Strengthened our support for families by adding two new care services coordinators— Rachelle Preston to help serve Portland Metro and SW Washington and Mary Rebar to serve the Willamette Valley

A sampling of local services provided free of charge to people and families living with ALS:

One-on-one consultations with qualified on-staff social workers to assess the needs of those living with ALS, suggest equipment and help families plan for the future.

A Medical Equipment Loan Program up and down I-5 and Southern Oregon in partnership with Numotion and in Central Oregon in partnership with Norco Medical that provides mobility equipment when insurance and other programs cannot fund needed items.

A comprehensive Alternative Communication and Assistive Technology Program to keep those living with ALS connected and communicating with their loved ones.

Support and resources for children and families.

Monthly support groups for people with ALS, family members, caregivers and friends.

A comprehensive Caregiver Support Program to relieve stress and “caregiver burnout”.

Partnerships in ALS multidisciplinary clinics, staffed by professionals with ALS expertise.

Education and outreach to local medical community with updates on current ALS needs and solutions.

Continuing medical education support for healthcare professionals across the region.

Our New In-Home Care Giving Program

We know there are very few resources for help with everyday living tasks in the home. Our chapter and board of directors recognize that people with ALS require a high level of care which is not covered by insurance. We know how important care giving is and want to offer more support in that area.

Our Chapter, in partnership with contracted community care giving agencies, provides and financially covers in home care giving services for qualified families living with ALS.

“It means more than I can adequately express. This provides me with help to keep up with housework and it also gives my husband additional range of motion twice a week and a bath. I can run to the store if I need to. Without all of this help I am always “running” to keep up with daily tasks. It allows me the time to have a mental break and slow down. I know it is a wonderful benefit for stress management. Our caregiver is very pleasant, positive, takes direction with ease and follows through.”

Dina and Michael E., Salem, Oregon
